Dear Dr. Midcap:

The Commission on Accreditation of Allied Health Education Programs (CAAHEP) voted on **May 19, 2017** to **extend the initial accreditation expiration date** for the Emergency Medical Services- Paramedic program at Garrett College, McHenry, MD.

The initial accreditation status was extended for a period of one (1) year upon request from the Committee on Accreditation of Educational Programs for the EMS Professions (CoAEMSP), in order to provide adequate time for evaluation of the program prior to initial expiration. The commission recognizes you and your colleagues for your commitment to continuous quality improvement in education, as demonstrated by your participation in program accreditation.
