GC-2401 PURCHASE OF PROPANE & DELIVERY
BID FORM

Firm-fixed price for delivery of approximately 190,000 gallons of propane during the Fiscal Year 24 is \$ _____ per gallon.

By signing and submitting this Bid Form, vendor acknowledges that the volume of propane cited in this bid (190,000 gallons for one fiscal year) is merely an estimate derived from historical usage at the College and County. While the College and County Government believes this estimate to be fundamentally accurate, it does not guarantee that the full 190,000 gallons will be purchased before expiration of the anticipated contract on June 30, 2024. Vendor acknowledges that they have the capacity to deliver the volume of propane specified at the rate of usage estimated in the Bid Scope and will provide all delivery tickets to Facilities, otherwise payment may be delayed or halted for that delivery. The Vendor further acknowledges that the inability to deliver the required volume at the appropriate time may result in a discontinuation of this annual agreement. As a component of Garrett County Government, Garrett College and the Garrett County Government are tax-exempt entities.
